

COMPUTER INFORMATION SYSTEMS

Cybersecurity, enterprise systems, and big data analytics—with the business know-how you need to lead.

business.latech.edu/cis

Take advantage of the current market growth potential with Louisiana Tech University's bachelor of science degree in computer information systems. Our grads are employed by some of the most respected and influential organizations in the nation like General Dynamics Information Technology, CenturyLink, Fenway Group, Exxon Mobil, and IBM.

We've partnered with Bossier Parish Community College ► **to provide a seamless transition between programs, and all classes are conveniently offered online or at the new Academic Success Center in Bossier City.*** The field of computer information systems lies at the intersection of technology and business—and that's right where you want to be.

*when demand allows

6220 East Texas St., Bossier City, LA
